## MIDWEST SENIDR CLASSIC

1 to r: Dave Olynyk, Champion Ron Cleveland, Steve Jansson, Tom Havlish, Mike Schmid, Jerry Sikora, Mike Wirz

The yearend finale produced an amazing title game. After 7 frames, it appeared that the game was decided. Mike Wirz started with 7 strikes, all perfect. Meanwhile, Ron Cleveland had a double, spare, double, spare . Wirz left a 7 pin in the $8^{\text {th }}$ and, amazingly, missed it. Cleveland doubled again in the $7^{\text {th }} \& 8^{\text {th }}$. Wirz strikes in the $9^{\text {th }}$, needs a mark to win in the $10^{\text {th }}$. He leaves a 3-10 split, barely misses it and finishes with 235 . Cleveland needs to strike in the $9^{\text {th }}$ and $10^{\text {th }}$, does that and finishes with a 244 to win.

The win was his $3^{\text {rd }}$ of the season. Ron qualified in $5^{\text {th }}$, proceeded to defeat 4opponents on his way to the title game. In his 5 ladder games, he had ONE open and a double or 2 in each game. A well deserved win!

For Wirz, a little discouraging, but he had the best season any player has ever had, with 8 top 3 finishes. The Player of Year!!!!

Finishing in $3^{\text {rd }}$ was SDS player, Tom Havlish. Tom is looking for his $7^{\text {th }}$ title. Tom had 2 opens, in the $2^{\text {nd }}$ and $3^{\text {rd }}$ frames, stayed clean the rest of the way, but wasn't able to double. He had a great tournament!

Fourth place went to Dave Olynyk. He was one of only 3 players to qualify above par. In his game against Cleveland, he had 2 opens along with 2 doubles. Unfortunately, Cleveland had only 1 open and a turkey to win the game. This is his high finish to date. He was one of only 3 players to have a 250 game.

In fifth place was Jerry Sikora. Jerry qualified in $4^{\text {th }}$ and was the $3^{\text {rd }}$ player to be over par. Sikora, in his $1^{\text {st }}$ MSC season, was looking to win title \#2. He played in only 6 tournaments this season and still finished in $7^{\text {th }}$ place in PoY points.

He too, bowled Cleveland. In the game, he had 3 opens and a 3 bagger. Unfortunately for him, Cleveland had no opens and a double.

The $1^{\text {st }}$ ladder game had 2 seeds, Steve Jansson and Mike Schmid bowling for the right to advance. Jansson easily won. Each of these seniors has 3 titles to their credit.

Jansson played Cleveland in the $2^{\text {nd }}$ ladder game. In the game, Jansson had 2 opens and 2 doubles but it was not enough as Cleveland had no opens and a double.
