Each MSC tournament is certified by the
Carl Hendrickson won his second title. In winning,

l to r: Larry Thompson, Brian Floen, John Hommes, Karl Kampa, Clark Poelzer, SDave Bordson, **Champion Carl Hendrickson**

Carl Hendrickson had a very good day as he won his 2nd title. To use a billiards term, he ran the table after being seeded into the ladder. He becomes the first "ROG" to win an MSC. He is the 2nd oldest to win (Bob Hanson was 73 when he won 13 years ago). Carl qualified 9th and was seeded into the ladder. He won the 1st game by one pin and kept on winning. Carl had everything going his way as he took advantage of the breaks given him.

Carl is only the 7th player older than 65 to win an MSC in 204 events since 1994.

As he moved through the ladder, he played better. The title match against John Hommes was very close as it was decided in 9th and 10th. Also, He becomes the first seed to run a 7 player ladder. In sum, he had a very good tournament.

Hommes was seeking his second title. He was 2 pins shy of averaging 250 in qualifying. 5 of his games were 250 or better. He liked the shot!! A few errant shots in the title game were costly. With this second, Hommes moved into PoY contention. This was his 3rd second place finish.

Third place was taken by Karl Kampa, also seeking his second title. Karl qualified second, one of 4 players with 1900+ scratch pins. Against Hendrickson, he was a strike shy of winning.

Brian Floen was 4th, his 6th such finish. He was seeking his 10th title. With this finish he assumes the lead in the PoY point standings. He was the victim of a Hendrickson 255 game.

Larry Thompson finished in 5th. Larry had a great tournament as he qualified fourth. He was edged by Hendrickson. As usually is the case, one strike in the right place would have won him the game. Larry is an infrequent MSC player, but In the few events he has bowled, he has done well.

The other 2 players in the ladder were Clark Poelzer and Dave Bordson. Clark is looking for title #17 and Dave is looking for his first title. Clark had a chance to win in the 10th but 2 10 pins resulted in a no win.

As a matter of fact

This is probably no big deal, but interesting. The MSC recognizes its player of the year, all star teams and rookie of the year.

This year is unusual. in that 4 50 yr olds are rookies and their point totals are all within 4 points of each other.

Carl Fietek has 43, Sam Lantto has 42, Curt Hanke has 40 and Chuck Vashaw has 39. There are 3 events remaining.
